Company Highlights

TRAINING

- With PhDs & Engineers we make a great team as trainers.
- Perfectly designed training module.
- Activity book on 3D Printing and IOT
- Training on CAD. (TECHB Feature)
- Onsite Training with one year video module.

SERVICES

- Atal Tinkering web portal
- Architectural Consultancy.
- Report Making Softwares.
- CAD Library & Software in ATL package.
- Labeled Storage hardware with Architectural Props.

About Us

We are a leading Innovative organization working in the domain of creative thinking and engineering. We build future scientists and leverage our young brains to innovate and develop new ideas which are beyond the imagination.

We empower Students | Engineers | makers with our innovative and amazing solutions on IOT | STEM | 3D Printing | Industrial 4.0 to come together to work for the same cause.

Our offering for tinkering lab is creating a great environment where students can use the equipment and develop new things which are out of the box, Introducing common society challenges and the regular competitions on technology allow tinkers to think innovatively and help out for solving the problem arising in our local community and societies. It's process of solving the local community problem. With Tinkering activity our AIM is to

THINK | INNOVATE | CREATE.

VIDEO TUTORIAL

We stands for a complete solution to ATL, We are always thinking to improve learning and teaching experience via our solution based platform, One such initiative to the cause we are introducing video tutorial on IOT & 3D Printing.

VIDEO TUTORIAL HIGHLIGHTS

- Video lecture series will be uploaded in the official channel.
- Teachers will get new topics for teaching and training by taking reference from the given video tutorial.
- Video tutorial on IOT & 3D Printer covers a wide range of topics & projects for beginners.

ONE SET FREE VIDEO LECTURE FOR SCHOOL

We have attached a wide range of tutorials along with few sample activity in the channel.

P2

Package -2 Consist of 3D Printer which is known as a disruptive technology in 21st century & we are the largest manufacturer of 3D Printer in the country.

OFFERINGS

- DIGITAL LIBRARY
- CAD SOFTWARE
- CAD TRAINING

Way

OFFERINGS

- TECHB ADVANCE 3D PRINTER
- 5 KG OF TECHB ULTRA MATERIALS

Way

OFFERINGS

- TECHB ACTIVITY BOOK ON 3D PRINTING
- VIDEO TUTORIAL MODULE

ITEM	QTY	TYPE
TECHB TEREX	1	Equipment
UPS POWER BACK UP	1	Equipment
3DP FILAMENT	5	Consumable
FILAMENT STORAGE BOX	5	Consumable

ART & CRAFT		Consumable
CARD BOARD	5	Consumable
FOAM CORE BOARD	5	Consumable
STRING	5	Consumable
RUBBER BAND	100	Consumable
POPCICLE STICKS	100	Consumable
WOOD GLUE	2	Consumable

Specifications :

1. Built Volume 200x200x250 cubic mm.
2. Single Extruder (Upgradable to 2).
3. Supports PLA, ABS, HIPS, PC, Nylon, Wood & more
4. Accuracy 65 micron, heated bed, turbo cooling.
5. TECHB Terex comes with WIFI Printing. Wi-Fi
6. Warranty of 2 Years on components.
7. With removable heated bed.
8. Turbo Object Cooling available in 3d Printer

Accessories : (Freebies)

1. TECHB tool kit. (Include pre & post processing tools)
2. TECHB 3D Printer Book for hand holding.
3. Design Library access to download. stl files.
4. Lifetime valid software for 3D Designing.
5. Operating software for the Printer.
6. Card board (5), Foam Board (5), string (50), Rubber band (100). stick, elue, balsa wood. sheets & rods.

We are the largest manufacturers of 3D Printer in the country & having customer ranging from IIT Kanpur, IIT Kharagpur, DRDO, CSIR & many more. We even deployed largest number of 3D Printer for ATAL TINKERING LAB

**WARRANTY
5 YEARS**

We assure you for the most reliable 3D Printer in the Country

P3

Package -3 Responsible for skilling the future capital of INDIA with basic operations, We provides the best brands available in the country

Total Package Cost		Including All Taxes	Free

DIY Robotics

Construction kit

Drone Kit

Rocket kit

Automobile kit

Bio Medical Kit

Agritech Kit

Biometric Kit

Water Sanitation Kit

STEM kit

ADVANCE PROTOTYPING KIT

Advance Prototyping kit consist of CNC PCB milling machine or set of 3D Pens or Mini Lathe or Lego Kit.

CNC PCB MILLING KIT
OR
3D PEN SET
OR
MINI LATHE
OR
LEGO KIT

This is all for just INR 50,000/-

INSTALLATION & TRAINING

We will come to your location for complete installation of your Lab

We have complete two week of training module for school students & teachers by a well qualified engineer for the subject. We believe makers can teach better than other and we are manufacturing most of the hardware.

We are very much confident of our training modules by our well qualified trainers

WORKSHOP

We have plenty of high profile faculties & speaker from education and industry.

We have Dr. R. N. Patel from IIT DELHI,
Mr. Srikant Patnaik from NIT Rourkela,
Dr. Rajeev Roy from IIM Ahmedabad,
Ashok Patel from ARAI for green vehicles
We assure you for quality workshop from TECHB

We have more than 100 modules of workshops in which 2 are free

PATENT SUPPORT

We have Mr. Pankaj Borkar “CONTROLLER OF PATENTS” from RAJIV GANDHI NATIONAL INSTITUTE for INTELLECTUAL PROPERTY MANAGEMENT, NAGPUR as an advisor for all kinds of patent related issues

We have a complete team for patent and intellectual property.
Our company has filed for many patents in technology.
Awarded 2 Patents by DST.

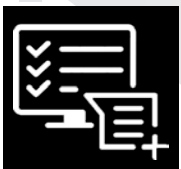

We assure you for all Patent related solutions

AUDIT & EAT SUPPORT

For all our customers we have assisted them in EAT filling for all their expenses for ATAL TINKERING LAB SCHEME.

We assist you for all kinds of audit & expense report for your ATAL Tinkering Lab purchasing

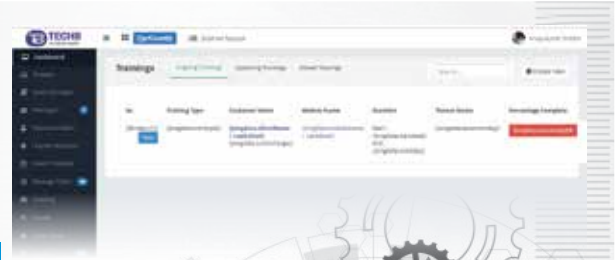

We assure you for all EAT related solutions for ATL

ATL WEB PORTAL

ATL web portal allows you to share all your ATL activity and videos in your portal to show the world how innovative your school is among all.

- Digital showcasing.
- Web portal management.
- Facebook and social media marketing.
- Getting unified platform for all stuff.
- Working module for all resources.

ONE YEAR FREE SUBSCRIPTION FOR SCHOOL

SAMPLE ATL WEB PORTAL

DIGITAL CAD LIBRARY (BIVERSE)

Digital CAD library consist of more than 10000 already prepared CAD model for different objectives. You don't have to master CAD to create a reality of your imagination, just download the CAD & start printing the stuff.

HIGHLIGHTS

- More than 10000 CAD models are available that are ready to print.
- We have mapped the entire CAD model that is specifically according to the NCERT curriculum helping teacher to teach interactively.
- You are provided with an interface where you can directly download the object which is ready to print.
- The entire CAD model can be printed on various scales.

TECHB BIVERSE makes an interesting platform to share CAD files among each other. You can also upload your CAD files in the same.

TWO YEARS FREE SUBSCRIPTION FOR SCHOOL

BIVERSE CAD PLATFORM

Many more services are waiting for your attention

CAD SOFTWARE & TRAINING

We will provide CAD training and software for overall development of design intent in student's mind, we will train you with all types of tools required to create CAD model for 3D Print.

CAD HIGHLIGHTS

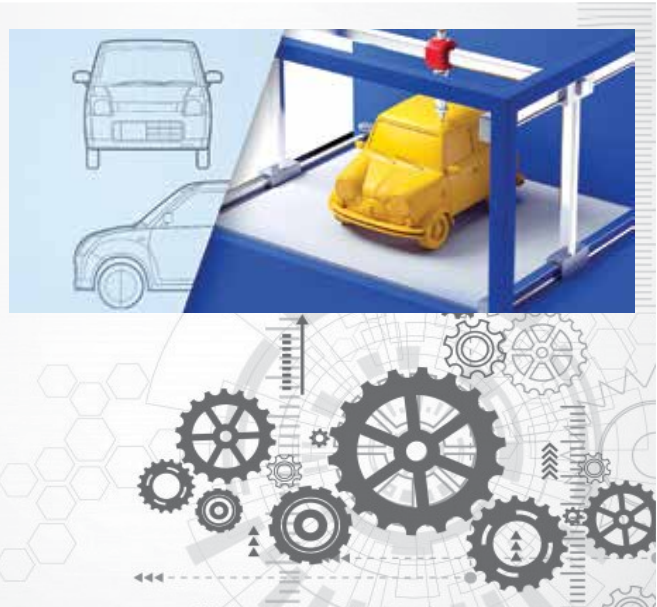

- We will provide a CAD with license.
- Training will be provided on the CAD software.
- CAD training help to create 3D model to print in 3D Printer.
- CAD training helps to reduce the wastage of 3D printer by providing a prior simulation of the model.

You can check CAD software training & training demo in Your Tube channel Scan the link.

CAD TRAINING VIDEOS

ARCHITECTURAL SUPPORT

We provides an assurance of providing a complete solution for lab setup. We will be providing a complete solution ranging from architectural consultancy to the design of furniture required.

HIGHLIGHTS

- Complete lab setup layout design by TECHB.
- We will give you a complete architectural layout along with the details of the furniture required for the ATL Setup.
- Every electrical infrastructural detail will be mentioned in the report.
- Things with required quantity will also be mentioned in the list.

**A COMPLETE ARCHITECTURAL
CONSULTANCY WILL BE GIVEN UNDER ATL**

TECHB Architectural Consultancy helps to optimize the lab infrastructure and its maximum utilization.

Many more services is waiting for your attention

ACTIVITY BOOK

We stand for a complete solution to ATL, we are always thinking to improve learning & teaching experience via our solution based platform, one such initiative to the cause we are introducing activity book on IOT & 3D Printing.

ACTIVITY BOOK HIGHLIGHTS

1. Activity book helps to conduct training classes after the training session end.
2. Teachers will get new topic for teaching and training by taking reference from the given activity book.
3. Activity book on IOT covers a wide range of topic & projects for beginners.

ONE SET FREE ACTIVITY BOOK FOR SCHOOL

We are providing

Activity Book on CAD and 3D printing by

- Author Arun Dewangan (IES)

We are providing

Activity Book on IOT & Electronics By

- Author Anup Sinha (CTO) TECHB

Through our Activity books, We will share the knowledge of Tinkering

STORAGE & PROPS

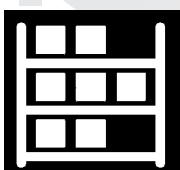

“We care about everything”, We are providing designer props and storage for all the equipment listed in the NITI AAYOG package. TECHB storage and props provides a good look and an efficient utilization of your lab space.

HIGHLIGHTS

- Storage for all sensors and electronic boards.
- Drawer self for other essentials.
- Designer Gear for Lab decoration.
- Set of instructions and decorative poster.
- Drawer Self for other accessories.
- Front door board for atal information.
- Department boards for other highlights.
- Labelled boxes for storage and handing.

CUSTOMISED STORAGE SOLUTION FOR ATL
